To Celebrate Protestant "Independence"

ALL CHRISTIANS ASKED BY LUTHERANS TO JOIN THROGS SUNDAY AT CAMP REINBERG

Twenty-five Congregations to Meet En Masse, Thousands More by Invitation; Four Special Trains Stop at All Points to Palatine

EXCELLENT ACCOMMODATIONS PROVIDED

Four Hundredth Anniversary of Reading of Augsburg Confession, Historic Protestant "Declaration of Independence"; Great Services Planned

Next Sunday, Sept. 28, is the great day for Lutheranism of this area. On that day Lutherans throughout Northern Illinois will throng the highways and the trains on the way to Camp Reinberg, 2 miles north of a line.

They will gather there for impressive mass services in commemoration of the 400th anniversary of their first declaration of faith, the Augsburg confession.

An "Independence" Day Pastor Fricke of St. Peter Lutheran church of Arlington Heights summarizes the significance of this event thus:

"The Augsburg Confession has the same significance for us in the sphere of religion as the Declaration of Independence has for us as American citizens. It is the declaration of our independence from spiritual tyranny. It is the Magna Charta of our Christian faith. In those memorable days 400 years ago the spiritual and the political liberties of the world were born."

Interest at High Pitch The extensive publicity campaign in the interest of the celebration has achieved gratifying results, according to the leaders of the movement.

Under the guidance of their pastors, the Lutheran people have been thoroughly acquainted with the significance of the occasion and imbued with real enthusiasm for this anniversary celebration. The cooperation of the secular press and in particular the news stories carried regularly by the Paddock publications have aroused the interest of the general public in this event.

Protestant people throughout the Chicago area, according to Rev. Fricke, have been led to realize that they have a common interest with the Lutherans in this anniversary.

The various committees have labored diligently and well at their appointed tasks and everything will be in readiness Sunday to accommodate the public. All final details were concluded in the joint committee meeting Monday night at St. Peter Lutheran school of Arlington Heights.

Special Trains Trains will leave the North Western depot at 8:30 and 9:30 a. m. and 12:15 and 1:30 p. m.; and stop at all points to Palatine. Special tickets have been printed by the Northwestern railroad and will be available at all stations along the line.

Those coming by train are requested to apply for the special rate tickets at their local stations. The Des Plaines Bus and Cab company will provide transportation from Palatine to the camp.

General Accommodations Sufficient space has been reserved for the parking of cars, and the county commissioners are providing the detail of men to handle this problem.

Mr. K. L. Basse and Mr. O. Koehnke of Arlington Heights have charge of the information booth at the entrance to the camp. All committees are requested to report at the information booth for their assignments.

The many large and small buildings offer all necessary accommodations. Four large refreshment stands, a dining hall, an assembly hall, two rest rooms for mothers, two lavatories, a hot lunch stand under cover, tables and benches for family lunches, will amply provide for all the needs of the vast gathering. The Lutheran Book store will have charge of an attractive booth for the sale of books and the anniversary medals struck for the occasion.

Upon arrival at the camp the members of the children's and mixed choruses are asked to take the seats reserved for them. The various voice sections of the choirs will be plainly marked.

All Christians Invited Although this festival has been sponsored by the Lutherans, the executive committee desires to emphasize the fact that all Christians

KNIFE SLAYER GETS THIRTY YR. SENTENCE

Jury Deliberates But Forty-Five Minutes; Sentential Case

A sentence of thirty years in the penitentiary was given last week to Tony Olesko of Arlington Heights, Russian slayer of Philip Goracio, also of Arlington Heights, when both were involved in a quarrel and Olesko admitted under the influence of liquor.

The trial, Monday and Tuesday, in the county court, under Judge Trude, was attended by the following from Arlington Heights: Chief of Police C. H. Skoog, Policemen Fred Hinz, Special Policemen Wm. Luehring and John Martens, Mrs. Goracio, wife of the murdered man, Mrs. Susie Jacobini, over whom the men were quarreling, and her daughter, Mary; also Mike Plesantino, section boss on the North Western, and Judge George Tagge of Mount Prospect.

The jury were locked up at 5:50 o'clock Tuesday night, and at 6:35 had completed their verdict. Olesko probably would have been sent to the electric chair had not Goracio had a loaded gun on his person at the time he was stabbed by Olesko.

The question was raised as to the tactics employed to get the confession which Olesko made to Chief Skoog, upon the capture of the slayer in Chicago a few days after the murder. But this was answered to the satisfaction of all. The writer was present at the time the confession was made, and was impressed with the gentleness and courtesy with which the prisoner was handled.

The conviction was chiefly on the confession, which stood in court; something that happens but rarely in Chicago on account of the rough tactics of extracting confessions which prevail there.

RED WINGS BEAT DES PLAINES ACES

In a free hitting and a loosely played game the Red Wings beat the Des Plaines Aces by the score of 17 to 11. The Red Wings scored in every inning, but the 4th and 6th, getting 4 runs in the 1st, 2 in the 2nd, 2 in the 3rd, 1 in the 5th, 2 in the 6th and 5 in the 8th. The Aces scored 2 runs in the 1st, and 9 runs in the last 3 innings.

On next Sunday the Red Wings will play their last game of the season when they will play Roselle at the south side grounds.

FULL COVERAGE ACCIDENT POLICY OFFERED BY HERALD

Post Office Patrons Urged to Use Air Mail

Urging Arlington Heights users of air mail to make certain that all mail marked for dispatch by airplane reaches the local postoffice before the designated closing time, Postmaster, B. F. Helfers today described how Arlington Heights can take advantage of air mail service as effectively as though located directly on an air mail line.

"By having air mail in the postoffice in accordance with the schedule below, the mail will be dispatched by train to the nearest air mail terminal where it will connect with the extensive system which covers the United States," said the Postmaster. "This means that air mail from this city will be delivered anywhere in the United States and will often save from one to three days in time." The closing hour for air mail at the local postoffice is 2:30 p. m. for the night flights.

Postmaster Helfers stated today that patrons using air mail from Arlington Heights will usually find the greatest saving by getting their mail to the postoffice in time to connect with the night flights as this means overnight dispatch to most of the important sections in the United States. "Because of the new low rate of 5c for the first ounce and 10c for each additional ounce, the amount of air mail from this station has shown considerable increase and it is therefore, important for mailers to have their air mail at the postoffice before the closing time indicated above in order that the maximum benefit from the service will be derived."

Residents of Cook county are invited to study the coverage of the policy as shown in the advertisement on another page of this issue, and to compare it with any other newspaper insurance offer.

All subscribers of the Herald will be given the policy for \$1.25 in addition to the regular price of \$2.50 for one year. All other expenses will be paid by the Herald as a newspaper service.

Through a special arrangement with the Columbus Mutual Life Insurance company of Columbus, Ohio, which has just been completed, the Cook County Herald now provides a new "Complete Coverage" accident policy for all subscribers. Unlike the ordinary "travel type" policy which is issued by other newspapers in Cook county, the Herald's new insurance covers the insured in the common every day accidents which happen at home, at work, at play and while traveling. All classes of employees will be benefited by the new service as the policy covers all classes of workers, whether they are injured at work or away from work.

The Cook County Herald has long felt the need of a good insurance policy as a circulation service. While other newspapers are content to give subscribers the old "travel type" insurance which protects subscribers only against a very limited range of accidents, the Herald waited for something new which provides a more lenient coverage. The announcement of the new service in today's advertisement offers the public the most complete accident policy obtainable as a newspaper service today.

WATER SHORTAGE CLOSES ARLINGTON HIGH SCHOOL

That Extra Nab Scheduled for Sunday Morning

That extra hour of sleep—if the baby will let you have it—that you have had coming since the change of time last spring, is due next Sunday morning, when Chicago and suburbs go back to Central Standard time for the winter.

Church services everywhere next Sunday, will be on Central Standard time, an hour later than Daylight Saving time.

ACTIVITIES GOING STRONG IN SCHOOLS

New Projects Include School Paper and So. Glee Club

There are now 480 pupils in the Public Schools of Arlington Heights, 300 in the North school, and 180 in the South, according to Superintendent E. D. Whitmore.

Extra curricular activities are under way, manual training, sewing classes, band, fiddle-et class, band, glee clubs and athletic activities.

To Start School Paper A new project is a school paper which the English teachers have been anxious to start, both in the North and South schools. It will be started in an experimental way, and will be issued semi-monthly.

Miss Josephine McCarren and Miss Aloise Henning are the teacher advisers in this matter; and they will be assisted each month by four pupils from the North school and three from the South, who will gather the school news, and with the assistance of the teachers, edit it and present it for the student patronage.

The aim is to motivate the children's composition work.

Thrift System Works Well

The banking system, by which the children make deposits and are trained in the habit of thrift, is working out very nicely. Superintendent Whitmore deposits every week \$12 to \$15 for the north school, and about \$8 for the South school; and the amounts from the pupils are not so important as the regularity.

The Band

Mr. Mason, band director, and Mr. Collins, superintendent of band instructors, called at the schools Monday to solicit new members of the band. About half of last year's band has graduated from the grade schools; and it is the plan to come to Arlington Heights in the near future and present the proposition at an evening meeting, at which the parents will be cordially invited. The announcement for this meeting will be given definitely a little later.

South School Has Glee Club

A new activity at the South school is the girls' glee club, made possible because of the room made for older classes now enrolled there. Miss Dorothy Sadt is directing them, and they will be heard from in a few weeks.

Start Outdoor Basketball

The older boys of the schools have taken to outdoor basketball, not being equipped for football, and baseball having become stale for the time being. Basketball stands have been erected north of the east building, and the boys with Mr. Weller's supervision, are working out new plays which they hope will help in producing another championship team for 1930 to 1931.

Move Sewing Classes

Miss Lorenzen's sewing classes are using the basement room which from time to time has served as a kindergarten room, which last year served as emergency quarters for the second grade, and which no longer need be used full time on account of additional space having been provided in the South building. As the sewing classes use the room but one and a half hours at a time, the room is fairly adequate for the purpose.

HEALTH BOARD ISSUES ORDERS

Village Officials Hope for Relief by Saturday; Install New Pump

The water shortage in Arlington Heights that has been becoming more and more acute thruout the summer became vitally serious Tuesday when the Arlington Heights high school was ordered closed for the day by the Board of Health on account of lack of water.

The condition was little better on Wednesday morning and after a half-day session, the health board ordered that school sessions must be suspended indefinitely.

The water department was flooded with complaints during the latter part of the summer, but continuing drought has interfered with the relief that was expected with the departure of the summer. The sewer construction work is taking great quantities of water. Six out-fits are working. A number of the local business interests also use considerable water.

Hope for Scarsdale Well

Hope for temporary relief lies in the present time in the new well at Scarsdale. The concrete floor of the pit having been poured only last Friday, and the electric pump and flow meter not being on the ground, the starting to connect the main to the well was delayed until Wednesday, the ditch having been previously open and the main under the pavement exposed. The pipe connections, all short fittings on account of the slight turns and valve, are now made onto the main, and men are hard at work, extending the pipe into the pit, where the flow meter will be connected, and then the pump. The company furnishing the pump has its men on the ground, and say they can have the pump going by Thursday night of this week, by means of the temporary overhead wiring.

Relief of the water famine, however, will probably not be before Saturday, since the first water will probably be dirty or sandy, and have to be run into the street until it clears properly.

By some time Saturday, however, it is hoped that the immediate water famine will be over, provided this well does not go half dry soon, as the others have done.

Permanent electrical connection will be underground. A tarpaulin doorway, but some of the members of the village board felt that securing temporary relief from that source would be too expensive and so far as the Herald knows no effort that has been made by the authorities along that line.

The Cook County Herald sent a telegram Wednesday morning to Mr. Carruthers, general manager of Arlington Park, asking him if he would attend a conference with local officials with the purpose of making temporary connections with the race track supply.

The race track is furnishing water to Milburn Brothers, who are widening the Northwest highway.

A board member informed the Herald today that securing water from the race track would require a long stretch of pipe and he was in favor of waiting to see what the Scarsdale well will do.

Local Cartoons Each Week by Surprise Artists Readers of the Herald will enjoy watching for the series of cartoons that will appear each week the coming month upon page two of this paper. They will not alone be drawn by local people, but the characters shown therein represent citizens of this village. Of course the cartoons can not be drawn too near to life, but they will tell the experiences of more than one local resident.

Local Cartoons Each Week by Surprise Artists

Watch for the cartoons. They will be printed upon the same page each week.

Extra Extra

RELIEF WATER SUPPLY HERE IS AVAILABLE

Engineer Petri Authorized to Handle Matter by Jockey Club

Engineer R. W. Petri, who is at his office at the Arlington Park race track every day from 9:00 a. m. to 5 p. m., was authorized by Mr. Carruthers Wednesday afternoon to confer with any local Arlington Heights officials who might call upon him relative to relief water supply from the race track well. This action on the part of Mr. Carruthers came as a result of the following telegram forwarded to him by the Herald.

Arlington Heights High school closes today indefinitely on account of water shortage from Village supply. Would you enter conference with local officials to consider plan of securing temporary relief from your well. Wire answer today if possible.

Arlington Heights Herald

Mr. Petri as the Herald goes to press, has called this newspaper on the phone expressing his readiness to act at once as soon as the most feasible plan can be determined. The Arlington Park Jockey Club is in the habit of doing big things in a hurry. A prompt conference would no doubt insure an ample supply of water for the next few months while Arlington Heights is securing its own permanent deep well.

The well at the race track is over 900 feet deep. It actually furnishes over 300 gallons a minute and Mr. Petri stated that the consumption during the races reached as high as 300,000 gallons for one day.

Electrification Demand Rapidly Rises in Volume

The West Town Chamber of Commerce of Chicago, a very prominent Civic Group of business men of the west side, and linked up with many other civic bodies and improvement clubs, endorsed last week, through the unanimous vote of its board of directors, the Chicago Tribune's suit to compel the 31 passenger roads within the city to electrify.

The Northwest Federation of Improvement clubs, representing 76 neighborhood improvement organizations, also filed a complaint with the Illinois Commerce commission against the Chicago and North Western and the Chicago Milwaukee, St. Paul and Pacific railroads.

It is predicted that the Austin Federation of clubs, composed of 31 community organizations, at its meeting Thursday this week in the Austin town hall will act in accord with the West Town Chamber of Commerce.

Finds Two Jobs One Too Many, So Sally Hat Shoppe Will Close

This being the final week at the Sally Hat Shoppe, I want to thank my many friends and customers for my success of the past year and eight months.

I started my shop confident of my ability as a milliner and have won praise and friendship from everyone who knew of my work.

To the many rumors and questions that might arise, I wish to state that it is not a business failure or lack of money that has decided my closure, but that since my marriage in spring, I find that two jobs are too much for one trying to make a success of both.

I'm sure if all the people who patronize their home town instead of buying elsewhere they would not only help the person in business but make the town prosper so that they might be proud of it.

NEW PARTNERSHIP IN LOCAL FORD AGENCY

H. J. Heffernan and H. Emmet McHugh are now the sole owners of Arlington Auto Sales, local Ford agency. Both men expect to be residents here in the near future.

NEW LAW DEPRIVES CITIZENS OF RIGHT TO VOTE UNLESS PERSONALLY REGISTERED

IMPORTANT SMALL BALLOT PROPOSITIONS BEFORE VOTERS

County Clerk Mails Notices of New Law Requirement to All Voters on Present Registration Lists

To the Voters of Cook County

(Not under the jurisdiction of the Board of Election Commissioners)

Don't forget to register for the coming election. Personal application at your polling place is necessary. You cannot vote on November 4th, if you do not personally register on Saturday, September 27th, or Tuesday, October 7th, hours 6 a. m. to 9 p. m. Voting by affidavit will not be permitted on election day.

Those voters intending to be absent from the county on both registration days and those persons who are sick and unable to personally appear for registration, may make an application to the County Clerk for a registration blank and affidavit. These registration forms of sick or absent voters properly sworn to must be on file in the office of the County Clerk not later than October 6th, 1930.

The above advice is given to enable you to comply with a new law.

Don't lose your right to vote by neglecting to register.
ROBERT M. SWEITZER
County Clerk.

LEGION AUXILIARY TO FETE CAST AND CHORUS OF PLAY

The Legion Auxiliary of Arlington Heights is to give a party Monday evening, Sept. 29, at the Legion home on Campbell street, to entertain the cast and chorus of "Sixty Miles an Hour," successful home talent musical comedy recently sponsored by them. There will be refreshments and dancing.

HIGHWAY WIDENING TO BE COMPLETED IN FOUR WEEKS

Salvation Army Gives Challenge to Citizens Of All Cook County

"Help Meet the Greater Need" is the slogan selected this year by The Salvation Army for its annual Home Service Charity Fund appeal which commenced active operations September 22, under the personal direction of George F. Nixon.

Some six thousand persons have been enrolled as volunteer workers to help raise the \$379,491.25 which Lester Armour, chairman of the Budget committee, states is needed to carry on the efficient work which the Army is doing among the underprivileged men, women and children of Chicago and Cook county.

The Salvation Army touches every section of Chicago and Cook county; families have been rehabilitated in many ways, quietly, and in most instances without even the next door neighbors knowing that help had been solicited or was being given.

The following from this community are quite active in this year's drive and with the assistance of well known and influential citizens, there can be little doubt as to the Army's being able to meet the greater need for service among the City's unfortunate during the coming year. H. J. Byrd, H. C. Bohrens, Mrs. W. B. Beardsley, and Mrs. J. F. Pfingsten.

FURNITURE STYLE SHOW AT STUTTMANN'S

Stuttmann Bros. in both of their furniture stores are holding a style show all next week. If interested in furniture, see their announcement on page four.

SPECIAL DISCOUNT ON "REAL" GREASING JOB

The Sterling Oil Station, Arlington Heights, is making a special discount of 20 percent on greasing jobs Sept. 25 to Sept. 27. Those promise to be busy days at that station.

Saturday is registration day thruout Illinois. Thousands of voters of Cook county will be disfranchised at the November elections unless the populace awakens to the situation. A recent law passed by the legislature requires that no person can vote at the next general election unless such person has personally registered. There will be no opportunity to swear in one's vote or to have some friend or political worker see to it that one's name is on the registration lists.

The county clerk, political chiefs, takers and workers are using the mails, the circulation of literature and the press to arouse the people to the danger of disfranchisement. The deprivation of the ballot at this election means a great deal more than at a majority of elections due to the special small ballots that will be offered for approval at the polls in November. There is still a day or two in which such propositions can be filed with the county clerk for insertion on ballots and the list of special propositions is certain to be lengthy, but the most important are:

Giving women the right to sit on juries.

The wet and dry proposition.

A \$14,000,000 state bond issue for conservation purposes.

A \$2,500,000 bond issue for forest preserves for erection of shelters, toilet facilities, water supply, etc.

Amendment to revenue act that will permit the levying of a state income tax.

Those interested in getting out the voters to register are not interested themselves at this time in the merits of the various propositions, but they are combining efforts to secure a heavy registration. Failure to register next Saturday means inability to participate in the voting "for" or "against" the above and other important propositions.

(Continued on page 2)

GAP POSSIBLE THRU MOUNT PROSPECT

Milburn Bros., contractors for the widening of the Northwest highway informed the Herald on Tuesday that with continued good weather, the paving should be completed within four weeks, except two gaps. The village board of Mt. Prospect has asked that the widening through that town be completed as originally planned. However, the owner of property east of the Arlington Seating Co. and the Magnolia Metal company has not yet signed upon the dotted line that will permit the laying of the widened highway along the railroad, thus eliminating two bad curves where Foundry road and the highway join.

Six days has been fixed for the completion of the pavement between Palatine and Arlington Heights. The gap on Baldwin road at the P. L. & W. right of way has been fixed. Center road crossing will be closed this week and it is estimated that there is only 12 days of paving still to be done between Arlington Heights and Des Plaines, with the exception of the one gap at Foundry road.

Grade Separation Contract Let

The state highway department announced Monday that the contract for the separation of grades at the Northwest highway and Dundee road had been awarded to Thornton Cartage Co. for \$71,550.10. The next lowest bidder was Milburn Bros. at \$71,947.00. Local owners of dump trucks were in hopes that the contract would have been awarded to Milburn Bros. in order that the unemployment situation in this vicinity could be relieved. The successful bidder owns its own trucks, but has agreed to hire local men as common laborers.

ARLINGTON HT'S.

What need we of a weather man these fine September days.

Dr. and Mrs. Dunn came home from their Iowa trip and visit last of the week. They had a pleasant trip and a delightful stay with their friends and relatives out there.

Mr. and Mrs. Whetstone of Des Plaines came up to call on Mrs. Will Heffernan and family and other friends here.

Mrs. Clara Reiter of Des Plaines came to see her father, Mr. Henry Flentie and to call on other friends in her old home town.

Mr. and Mrs. Frank Cordes entertained the Sagerbrichts from Chicago and Mr. and Mrs. Reuben Davis in their home Sunday.

Last Tuesday Prof. Wm. Cleveland, who spent a part of his vacation with his parents, Mr. and Mrs. H. C. Cleveland and son, Billie, returned to his duties in the University at Bloomington, Indiana.

Mrs. Savage is the guest of her friend, Mrs. A. Whiting for a few weeks.

Don't forget the Friendly Class dinner Friday, September 26, at 6:30 sharp, for members of the Friendly Class and their husbands. Bridge, "500" and Pinochle will be played after dinner. Prizes. For reservations call Mrs. Zander, 608. Seventy-five cents per person including cards and dinner.

Tuesday, September 23, autumn begins.

The Ladies' Aid of the Presbyterian church Harvest Supper October 22.

The Coeses will meet with Mrs. George Peterson, September 25.

Mrs. Hopkins of Chicago is staying with Mrs. Wm. Heffernan and family since the death of her brother last week. She was also with them during his long illness.

The death of Mr. William Heffernan, in his home on South State road Thursday last week, was a shock to his friends, although Mr. Heffernan had been a sufferer for a long time, it was hoped he would recover. The funeral took place Saturday.

Be sure you keep an open date for October 24, the Boy Builder.

The River Ready club met on Wednesday this week in the home of Mrs. Roy Dobbins. Their work on this occasion, was preparing articles for the Lake Bluff Orphanage.

Mrs. Perry Russel and son from Chicago came out to attend the marriage of her nephew, Walter Boeger, Saturday evening.

The Wiberg-Olsen families of Kensington road entertained their relatives in their home Sunday. These relatives live in Milwaukee and came down to spend the day.

Mrs. H. M. Blume and her niece, Elizabeth Garland, visited relatives at Chicago Heights at the weekend.

Sunday the Boeger-Wasser families met in the home of H. H. Boeger for an after the wedding celebration. Mrs. Wasser, grandmother of the bridegroom, who was unable to be at the wedding, came out to share these day-after festivities.

Mr. and Mrs. Matt Schaefer entertained the Community Players in their home Tuesday, September 16, for the regular monthly business meeting. About thirty members were present. After the business had been transacted, games and a number one refreshments were enjoyed. It was planned to give a play "The Whole Town is Talking" November 20. Place, at present undecided. We hear this was a most happy gathering and all entertained enthusiastically into preparations for "The Whole Town is Talking."

Wednesday afternoon, September 24, the Parent Auxiliary to the Boy Scouts met with Mrs. M. F. Madison at Mount Prospect for the election of officers and the transaction of business of importance.

Mrs. H. G. Garland entertained a family group as dinner guests in her home Sunday evening in honor of Mrs. Augusta Garland's anniversary, and little Margaret Garland's birthday. A sample copy of the fried chicken, hand raised by Mrs. Garland's brother, Mr. Fred Yeager, convinces us it was a first class feast.

No small part of the attention shown the French fliers in Chicago last week, was the beautiful flowers carried to their reception by Mrs. Hofstetter, who is ready to give honor where honor is due at all times, and to all persons.

Mr. and Mrs. E. C. Stroker, accompanied by Miss Lorraine Miller and Mr. Erwin J. Precht, are enjoying a vacation at and around Las Vegas, New Mexico, the Stokers having made the trip especially to visit the sister of Mrs. Stroker.

The Tesch families went to Des Plaines to help Mrs. L. Ellis celebrate her birthday, Sept. 16.

Miss Betty Tonne attended the Illinois Bell Telephone Co. Federation meeting in Chicago, Wednesday.

Young Wife, Afraid to Eat, Lives on Soup

"Afraid of stomach gas, I lived on soup for 5 months. Then I tried Adlerika and now I eat most anything without any gas."—Mrs. A. Connor.

Adlerika relieves stomach gas in TEN minutes! Acts on BOTH upper and lower bowel, removing old poisonous waste you never knew was there. Don't fool with medicine which cleans only PART of bowels, but let Adlerika give stomach and bowels a REAL cleaning and get rid of all gas! W. F. Sieburg Drug Store.

NEW LAW DEPRIVES VOTERS OF FRANCHISE

For the first time in history the candidate race is being supplanted by public policy propositions. It is an important election as far as the candidates are concerned, and the voters will be made fully aware of their qualifications before the election day in November. The big thing now, says Commissioner William Busse, is to register. Register yourself, get out your family and your neighbors to go to the following places Saturday.

The registration will be conducted at the polling place where the citizen is accustomed to voting, Saturday, Sept. 27, from 6:00 a. m. to 9:00 p. m.

Mr. Arthur P. De Camp, C. S. R., of St. Louis, Mo., has been secured by Christian Science Society, for their lecture at an early date in October. Mr. De Camp is an authorized lecturer on Christian Science, and a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Don't forget to come, Thursday, Sept. 25, at the Presbyterian hall basement, to the Hard Time Harvest Party given by the Eastern Star at 8 o'clock. There will be loads of fun. Put on your old clothes in order to avoid the fines for finery. Admission is 23 cents, children accompanied by parents, free. Don't miss it.

The Methodist Woman's Foreign Missionary society will meet Monday, Sept. 29, at 2:30, at the home of Mrs. W. H. Kajo, 38 S. Mitchell avenue. Members and friends are invited.

Mrs. Wm. Garland gave a birthday party in honor of her little daughter, Margaret's 9th birthday Monday afternoon to several of Margaret's pals and schoolmates.

Lincoln Crane and family, Mr. and Mrs. Elmer Crane, Mr. and Mrs. Harold Hastings and Mr. and Mrs. Wilbur Goodrich, enjoyed an outing in Deer Grove, Sunday.

Mr. and Mrs. Arthur Volz, of Chicago, were guests of Mr. and Mrs. A. F. Volz, Saturday.

Mrs. Louise Scharringhausen is having a new garage built at her home on Belmont avenue.

Miss Hilda Meyer is enjoying a two weeks vacation from the local telephone exchange and with her brother, Oswald, she is visiting relatives and friends in and around Iowa. Miss Meyer will return to her position Monday.

George E. Thorne, Arlington Heights surveyor, will survey your property for one half the usual charge. Send description of property for estimate of cost to Mr. Thorne at 209 E. Euclid street.

Born, a daughter, to Mr. and Mrs. Henry Heideman, Saturday, September 20, 1930.

Mr. and Mrs. Sidney Allen and family have returned to the old home town. Everybody is glad to see them and give them welcome home. They got here September 12, and are busy as ever were "newly-weds" preparing to settle in Mrs. Rapp's former home.

Rev. Carl F. Dankworth, pastor of Redeemer English Lutheran church, Hinsdale, Illinois, speaker at the Sunday school rally, took the opportunity after the services to call on Mrs. Emilie Voegel and Mr. and Mrs. Albert H. Holmes of Campbell street, friends from a former pastorate (Granite City, Illinois).

Hinz-Boeger Wedding Solemnized Saturday Amid Many Friends

Saturday evening, September 20, at seven o'clock, Esther, daughter of Mr. Fred Hinz, and Walter, son of Mr. and Mrs. H. H. Boeger, were joined in marriage in the home of the bridegroom's parents on East Euclid street, Rev. H. A. Kosanek of the Presbyterian church solemnizing the sacred marriage rites.

It is an unusual and notable event when a busy overworked policeman and civic official takes a brief evening hour to give his only daughter's hand in marriage in the presence of the Chief of Police and in interested company of relatives and friends. It was a quiet sensible wedding carried out in a happy and dignified way.

Miss Helen Kolling played the wedding march, she wore a pretty pale pink gown. The bride wore a white satin gown with long veil and shower bouquet, as was as lovely as any flower she held in her hands.

The bridesmaid, Miss Loraine Hinz, of Palatine, wore a pretty green gown and these pretty gowns made a bright blossom like color scheme.

The decorations of the home were all the more effective because simple in dainty colors of green and white. The best man was the bridegroom's brother, Willard Boeger.

The tables were reset three times to accommodate the company of 75 guests. It was a wholesome appetizing supper, bountifully served.

Following the supper an hour or two of genial conversation, singing and music was enjoyed by the relatives and friends. The bridegroom's mother was assisted by Mrs. Ella Boeger, Mrs. Laura Hiedorn and others of the family. Following the supper and family greetings, the bride and bridegroom left for a brief stay from home.

In the future they will make their home with the bride's father, where the bride has long been the home-maker for her father and grandfather.

They have hosts of friends in Arlington Heights who wish Mr. and Mrs. Walter a happy, prosperous

and a useful life where peace and sunshine will prevail over clouds and sadness. In well worn phrase: "With just enough of the shadow to temper the glare of the sun."

Electrification Movement Favored by Village Board

All members of the Arlington Heights Village board were present Monday evening, Sept. 15. The finance committee reported favorably on bills and payroll.

Two lights were reported at Ridge and Campbell, where only one is necessary; and the police committee, reporting the condition, was voted authority to remove one of them. Three reflector signs bought and installed, were reported by the Side Walk committee.

The Building and Grounds committee reported the work in for the pit for the Searsdale well pump.

The treasurer reported \$3,625.98 on hand, and the report was referred to the Finance committee.

Favor Electrification

The following resolution was presented by Trustee Alfred R. Jasper and seconded by Trustee George Klehm, Sept. 15, 1930:

Whereas, The Northwest Federation of Improvement Clubs, representing some Seventy-five or more citizen's associations of the Northwest side, have started a movement toward the electrification of the North Western railway thru the Metropolitan area, Be it resolved:

"That this board go on record as favoring any efforts toward the ultimate electrification of the North Western Railway System thru Arlington Heights."

The resolution was adopted. Mr. Waldemar Krause requested permission to have sewers laid on his property on Haddon avenue, north of Euclid avenue; on motion, the permit was granted, subject to the proper bond.

A representative from Stonegate spoke in regard to the cinder walk toward the downtown section which the village board had installed, and which is now broken up by sewer operations. The matter was referred to Mr. Jasper, Sidewalk committee.

The meeting then adjourned.

Barrett-Dunton Club Hold Their Annual Meeting

The Barrett-Dunton club, composed of old time Arlington Heights friends, met in the spacious home of Mrs. Nancy Barrett, 325 South Grove avenue, Oak Park, last Saturday, for its annual meeting.

About thirty-five were present, four new members were added. A sumptuous luncheon was served by the hostesses. The tables were decorated with bouquets of flowers sent by Mrs. Lucy Davis from her garden near Rhineland, Wisconsin.

The Barrett family are ideal entertainers and spare no pains to make these yearly gatherings joyful occasions.

Too Late, Too Late

CAPTAIN HEFFEREN PASSED ON

Charter Member of Vol-
unteer Fire Company
Given Final Honors

William Edward Hefferen, son of late John and Winifred Hefferen, was born in Arlington Heights, August 24, 1868, and died in his home Thursday, September 18, 1930, at nine o'clock and ten minutes in the morning.

He was married to Miss Mary Sebastian, November 28, 1894, and has lived all his life in Arlington Heights.

Mr. Hefferen was a charter member of the Volunteer Fire department in which he had been active in service all his life. At his death he was Captain No. One of the department. He had been associated with all civic organizations, was a respected, industrious citizen, and a home-loving man.

The funeral was held at the chapel Saturday at two o'clock afternoon, the Rev. John T. Wagner of St. James church conducting the service. "Nearer My God To Thee" on the organ with vocal accompaniment and other vocal music was impressively given.

The pall bearers were his associates from the Fire department, also the honorary pall bearers, all life long friends.

The interment was where many old friends and neighbors' bodies find their last resting place, in Arlington cemetery on the hill.

There were beautiful masses of flowers, flat pieces, and symbols from friends and organizations. Of the Mrs. Hefferen in speaking was overwhelmed with deep emotion.

Mr. William E. Hefferen leaves to mourn his loss, his devoted wife, who so tenderly cared for him through his long illness; his son, William and daughter, Ruth, who are the comfort and stay of their mother in her lonely home; also his sister, Mrs. Nellie Hopkins of Chicago; and his brother, John Hefferen, who is with his family; and many lifelong friends and associates who will miss him in the old town ways.

Among those from out of town were Mr. and Mrs. John O'Brien, Mr. and Mrs. Kearns and Miss Kearns, Mrs. Hopkins and sons, Tom and James, Mr. and Mrs. Joseph Cepek and their two sons, all of Chicago; Mrs. Pat Morrison and Mrs. Wm. Tesch from Wheeling; Mrs. Jake Gloden from Buffalo Grove; Mrs. Clara Reiter, Des Plaines; Mrs. Isaac Blum and her daughter, Mrs. Hildebrandt from Palatine.

There are hosts of friends who deeply sympathize with Mrs. Hefferen, her son and daughter and all who miss the departed friend. May God comfort them "even as a mother comforteth" her child.

CARD OF APPRECIATION

We wish to express sincere thanks and appreciation for the overwhelming kindness shown by our friends in our sad bereavement.
Mrs. Mary Hefferen
Son and Daughter.

WOMAN'S CLUB

First meeting of the year, October 1 in the Methodist church parlors. Reception for old and new members. Readings, Mrs. Gilbert Klehm. Music.

Ill 20 Years;
Konjola Ends
Rheumatism

"Will Never be Without Famous Medicine," Says Chicago Man — Four Bottles Brought Relief.

MR. WILLIAM MILLER
"I was troubled with rheumatism for twenty years," said Mr. William Miller, 4914 Irving avenue, North, Chicago. "This became so bad that I was forced to use a cane. I could scarcely work or walk and the pains were so severe that it was out of the question to get any restful sleep at night. I tried many medicines and treatments without finding any permanent relief. I have now taken four bottles of Konjola and I no longer require a cane to get about. Most of the pain has left my legs and shoulders. I shall continue with Konjola until my recovery is complete. I will never be without this great medicine."

It is recommended that Konjola be taken for from six to eight weeks in order to secure the best results. Ailments of the stomach, liver, kidneys and bowels, and rheumatism, neuritis, and nervousness soon yield to its power.
Konjola is sold in Arlington Heights at Sieburg's drug store, and by all the best druggists in all towns throughout this entire section.

Southside Breezes

The golden-rod is yellow, the corn is turning brown, the trees in apple orchards with fruit are bending down, the gentian's bluest fringes are curling in the sun. In dusky pods the milkweed its hidden silk has spun.

Mrs. Fred Ehrat entertained the Blue Monday club at her home on So. Mitchell Monday evening. Mrs. Weisgerber had high score.

Mr. and Mrs. George Dobbins visited their nephew, Virgil Hart, in Des Plaines, Sunday.

Mr. and Mrs. D. R. Rippey and son, Bobby, were in Chicago, Sunday, visiting friends.

Mr. and Mrs. Raymond Atkinson entertained Mr. and Mrs. Eugene Heller, Mr. and Mrs. D. R. Rippey, and Mr. and Mrs. Walter Boicau, Saturday evening. Mr. Rippey and Mrs. Heller proved themselves the best bridge players that evening. Refreshments were served.

Mrs. Victor Pecchia was hostess to the Ideal Card club Thursday afternoon. Refreshments were served.

Mrs. Hauer, Mrs. Krah and Mrs. Bouffard went to Chicago Monday to visit the latter's son, Mr. Joseph Bouffard.

Farm Adviser, O. G. Barrett and family, and Mr. and Mrs. C. C. Compton attended a picnic of Farm Advisers of northern counties of Illinois, Sunday. The picnic was held near Dixon, Ill., which is the scene of much activity this week since their centennial celebration is taking place.

Kenneth Compton, who is an instructor at Illinois University, spent Wednesday night with his brother, C. C. Compton, before leaving for Urbana.

Twelve girl friends of Hazel Sauer went to her home Saturday to celebrate her eleventh birthday. They had a delightful time playing luncheon, Katherine Newberg, Jessie Ehrat, Esther Stelling and Helen Palmer won prizes. All the girls received favors. The color scheme of pink and white was carried out in the lovely refreshments of fruit salad, sandwiches, lemonade and a beautiful white cake with pink candles.

Friends of Mr. and Mrs. C. C. Compton reminded them of their sixth wedding anniversary Tuesday evening. A theater party was made up, all going to the Arlington theater. The rest of the evening was spent in visiting and partaking of refreshments.

Mrs. Thos. Pope and Mrs. Victor Pecchia will attend the installation of the Belmont Park unit of American Legion and auxiliary, Friday.

Another south side family have moved to the north side. The C. H. Menard's now reside on N. Vail.

Mr. and Mrs. A. Haseman had a pleasant visit from Mr. and Mrs. Morris of Indiana. Mrs. Morris at one time was a teacher at Long Grove school and made her home with the Hasemans.

Mr. and Mrs. R. H. Richards and family visited Mr. Richard's mother in Aurora. The visit was made more enjoyable through the presence of Mr. Richard's brother and wife from Washington, D. C.

Miss Genevieve Krah was a week-end guest of Miss Lillian Chausse in South Chicago.

Reuben Calhoun and family have moved from South Mitchell to a residence on North Vail street.

Mr. and Mrs. R. H. Richards attended the wedding of Miss Esther Hinz and Mr. Walter Boeger, Saturday evening. Mrs. Richards had the honor of dressing the bride.

Mrs. Walter Schuett, So. Highland enjoyed a visit from her father, Mr. Mathew Kirkpatrick, Chicago, Tuesday evening.

Methodist Mother's Club
The Methodist Mother's club will meet next Wednesday evening, Oct. 1, at the home of Mrs. O. G. Barrett, So. Mitchell street.
Miss Irene Russell of the South Side schools will talk on "The Religion of the Child and the School." Roll call will be current events.

Boosters Lose to Chicago Heights In Semi-Finals

By a Booster
The curtain was rung down Sunday for the Boosters who, after a game fight in the Sweitzer Cup series, met defeat at the hands of the Sportsmen A. A. of Chicago Heights.

The game went on the rocks in the first inning when, after the first man for Chicago Heights singled, the next two batters hit weakly to short, and with two perfect double plays in his hand, Marks, the Booster shortstop, gave an exhibition of about the worst infelding seen in these parts for a long time, failing to even get one man out.

This coupled by a bad decision on the part of the umpire who allowed a batter to deliberately cross the plate without calling him out, which was followed by a two-base hit, gave the visitors 4 runs. This upset the Boosters to such an extent that they were unable to overcome the handicap and went down to the score of 9 to 3.

The game was marred thruout by wranglings with the umpire who appeared to be very inefficient for the duties of such an important game, and it is the opinion when a series such as this, with a trophy at stake donated by a man of the high standing of Robert M. Sweitzer, that the officials of the Midwest League, who come before the public, telling how they are endeavoring to boost semi-pro ball, should at least have foresight enough to

appoint umpires to handle the games who are men of repute and intelligence and not some one who happens to have a chest protector and mask and membership card to the V. F. A. By doing this the public would be the better pleased and the sport prosper.

The Boosters from owner to bat boy wish to take this opportunity to thank those loyal fans who have stood by them thruout the season and hope that through their efforts that greater cooperation may be affected from those in this community who are able to help such an endeavor for future seasons.

Once more we thank all and hope we may be with you again next year better than ever.

I AM STARTING my fall classes in piano lessons. Anyone wishing to join please call Palatine 128-R or 44-J, for appointment. Fairie Belle Bennett, Palatine, Ill.

LUTHERANS INAUGURATE RADIO HOUR

Apparently First to Use
Nation-wide Hook-up;
Start Oct. 2

Beginning October 2, the Lutheran church (Missouri Synod) is to be represented on the air by a weekly half-hour at 9 o'clock Thursday night over the Columbia network, it was announced today. Thirty-four stations in a coast-to-coast hook-up are to be employed. The project is being financed by the Lutheran Laymen's League and the International Luther League for the Lutheran Synodical Conference of North America. The broadcast will be known as the "Lutheran Hour."

First Programs
The first broadcast will feature the Cleveland Bach chorus, under the direction of F. W. Strieter, from WHK, Cleveland. The musical portions of later programs will be presented by the Chicago Bach Chorus, Sigfrid Prager, of Madison, Wis., director; Edward Rechlin, organist, of Immanuel church, New York; and the Concordia Seminary chorus, St. Louis, directed by Dean Walter Wismar of the church of the Holy Cross.

The initial series of sermons will be delivered by Dr. Walter A. Maier, of St. Louis. Dr. Maier is professor of Old Testament Exegesis at Concordia Theological Seminary, St. Louis, and editor of the Walther League Messenger, official youth organ of the Lutheran church.

Lutheran Initiative
"The Lutheran church is the first denomination to use a paid nationwide network to spread its message," said the Rev. Daniel Poellot, of Palatine, Ill., in commenting on the project. "Just as it was one of the first churches to own its own denominational broadcasting station six years ago. It is estimated that the potential audience of the Lutheran Home is between fifty and fifty-five million people. The nearest station in this area is WBBM, Chicago."

CHRISTIAN SCIENCE CHURCHES

"Matter" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 21.

The Golden Text was, "The fashion of this world passeth away" (1 Cor. 7:31).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Whosoever cometh to me, and heareth my sayings, and doeth them, I will show you to whom he is like: He is like a man which built an house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock" (Luke 6:47, 48).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The testimony of the material senses is neither absolute nor divine. I therefore plant myself unreservedly on the teachings of Jesus, of his apostles, of the prophets, and on the testimony of the Science of Mind. Other foundations there are none" (p. 269).

IN MEMORIAM

In loving remembrance of our dear wife and mother, Mrs. Emily Beer, who passed away one year ago, Sept. 29.

A precious one from us has gone. A voice we loved is stilled; A place is vacant in our home, Which never can be filled.

God in His wisdom has recalled The boon His love has given, And though the body slumbers here The soul is safe in Heaven.

From loving Husband and Children.

Thursday, Oct. 2, Ladies' Aid meeting.

Saturday, Oct. 4, 1:30 p. m., confirmation instruction will begin.

Sunday Oct. 5, English Rally day service in church and Sunday school. We hope that all will be able to be present. The same day at 7:30 p. m. the Young People's Society will meet.

Family Traditions

Figures Charming In Klehm Wedding

Saturday, Sept. 20, Emma, daughter of Mr. and Mrs. Charles Klehm, and Edward Timmermann of Palatine were joined in marriage at the home of the bride's parents in Arlington Heights, by the Rev. C. M. Noack of St. Peter's church.

This was most originally and prettily arranged. The date chosen was the 31st anniversary of the wedding of the bride's parents, who were married, and celebrated their marriage supper on the same spot where their daughter was married. The Rev. Noack conducted the ceremony for the parents—his first marriage in his new charge at Arlington Heights.

The background of old trees in front of which palms were placed terraced by banks of gorgeously colored flowers, made a wonderful setting for the marriage ceremony. The guests, about 175, were seated on the spacious lawn.

The bride, with her attendants, escorted by her father, entered the place from the home of the bride's mother Klehm. The bridegroom, with his best man, Mr. Herman Gieseke, came from the house of Mr. Charles Klehm, and awaited the bride in front of the Rev. Noack, the bride's group entering from the east. The ushers were Mr. John Leahy of Des Plaines and Mr. Robert Deverman of Palatine.

The bridesmaids were Miss Ethel Timmermann, twin sister of the bridegroom, and Miss Henrietta Gieseke, a life-long friend of the bride. The two pretty flower maidens were Joyce Schauble and Lois Knaack, with baskets of flowers.

The ring bearer was Lyle Walther, the maid of honor, Miss Margaret Klehm, sister of the bride.

The bride wore her mother's wedding gown of eggshell satin with tight fitted waist and full skirt, a returned style now in vogue. She had a long veil and carried a shower of bride's roses and lilies of the valley, and wore her mother's robes with becoming grace and beauty. The bridesmaids in rainbow colors of blue, orchid and rose, formed a most attractive sunset picture. The bride's father gave her hand in marriage and the Rev. Pastor Noack solemnized the marriage vows, as he had spoken the same solemn words for the parents thirty-one years ago.

The company adjourned to the Lutheran church hall where the dining room had been transformed into a bower of beauty for their reception.

The tables were spread as only those skillful ladies of St. Peter's church know so well to arrange, a canopy of flowers and trailing vines was placed over the seats for

the bride and groom, surrounded by the bride party and guests. The supper would require adjectives from more languages than this poor scribe can muster to describe; suffice it to say it was one of the best St. Peter's cooks could provide.

Following the supper came the happy conference of friends and relatives. The bride and groom withdrew to be off for a short trip to visit the bride's sister and husband, Mr. and Mrs. Arnold Wolgast in their new home at Petosky, Michigan. Mrs. Wolgast, who was Louise Klehm, was married August 23. This latest wedding is the fifth of the daughters of Mr. and Mrs. Charles Klehm of whom there were seven. Elizabeth, the dearly loved Betty, went to a brighter sphere some years ago. There is now Margaret, youngest of the seven and her one brother, Karl, left in the parent's home.

Mr. and Mrs. Edward Timmermann are to have for their future home a part of the famous Charles Klehm Peony farm which is being artistically landscaped and will be made into an ideal country home. Thus it is our daughters leave us, Comes a chief with brighter feather

Beckons and they follow after.

Ah! Well, their parents, our parents, all did the same—why complain about it? May all prosperity and the best things God gives in life be the portion of the lives of Mr. and Mrs. Edward Timmermann.

The bride received many useful and beautiful gifts, not only on her marriage day, but in prenuptial showers—one given by her sister, Mrs. Knaack, for gifts from the aunts and cousins of the bride; another by Miss Henrietta Gieseke, a complete surprise, to her friend in which a group of girl friends turned on the shower; another by Mrs. Helen Krause and Mrs. Rose Paten, who entertained the club of which all the girl friends are members, with the bride to be as guest of honor.

Some of the out of town guests attending the wedding were Dr. Louise Klehm of Niles Center; Mrs. George Klehm and Mrs. Freund of Wilmette; Mr. and Mrs. Joseph Forester and Emily and Joe, of Kenilworth; three of the bridegroom's uncles and their wives; Mr. and Mrs. Taegtmeyer of Milwaukee; and Mrs. Taegtmeyer from Chicago, and Mr. and Mrs. Taegtmeyer from Oak Park.

Added Fame to Old Device
The Lorraine cross was adopted as a shoulder-sleeve insignia of the Seventy-fourth division of the A. E. F. during the World war. The cross is described as the device which was originally the symbol of the triumph of the house of Anjou of France, through Charles the Bold, duke of Normandy, in the Fifteenth century.

**Give
YOUR
HEN'S
a chance
TO LAY**

To get more eggs the year 'round give your hens the benefit of these ideal Sanitary Steel Nests where the lice and mites won't pester them when they are laying.

There is nothing you can put in your poultry house that will give you as much genuine satisfaction as these self-cleaning lice and mite proof Steel Nests.

Nests are made of heavy galvanized sheet steel. Hang on the side wall of your poultry house. When you want to clean nests just swing them upward and outward and the old straw and litter slides out the back. Perches can be raised up closing the nest openings to prevent hens roosting in nests at night and keeps out broody hens.

These nests are made by Jamesway—the world's largest manufacturers of poultry equipment. Come to our store and see them. Also Jamesway Feeders, Waterers, Brooders, Heaters, etc.

Arlington Heights Ladies Officially Meet French Flyers

Mrs. Olga Hofstetter and her daughter, Mrs. Margaret Fitzpatrick, active clubwomen of Arlington Heights, and originally from Neuchâtel in the French-speaking part of Switzerland, were given the honor of greeting the French Paris-New York flyers upon their arrival at the Curtiss airport, Thursday afternoon, and of presenting them with a huge basket of red roses and lilies from the Klehm greenhouse in Arlington Heights, the gift of townspeople of Major Coste, one of the flyers, at Neuchâtel, France.

Although the cities having similar names are in two different countries, this apparently unknown to the committee of the Chicago association of Commerce sponsoring the official welcome to the flyers, the ladies were able to greet the flyers in their native French.

Called at noon Thursday by Mr. James J. Maguire of the Association of Commerce staff, the ladies went to Chicago and were conducted to the Municipal airport on the south side, and were given a three hours' ride as members of a party on a large Standard Oil cabin plane, the trip ending at the Curtiss airport at Glenview, where the French flyers were to land. The ladies were thrilled with the wonderful trip and luxurious plane and are convinced that air travel is safer than with cars.

A few of the escorting planes landed here. Coste and Bellonte who came in their red sesquiplane with which they had made the first non-stop flight from Paris to New York. They were first met by City Attorney W. D. Saltiel, for Mayor Thompson, then Earle Reynolds, chairman of the Association of Commerce Aviation committee, then the French consul, after which the camera men got their pictures.

As Coste alighted to be escorted to the microphone, a little girl of Belgian descent greeted him in French and he picked her up and kissed her. The flyers were almost mobbed by those who wanted their pictures or a record of their voices.

Mrs. Hofstetter and Mrs. Fitzpatrick stood by the microphone, dressed in costumes of the French part of Switzerland of about 150 years ago. The presentation speech in French by Mrs. Hofstetter was broadcast over the radio, as was also Major Coste's acceptance and thanks.

While this was going on, one official of the association of commerce had his pocket picked of about \$75, a sinister touch.

The flyers, and also the ladies, were escorted to their seats in a procession of new and gorgeous Cord cars, proceeding down to Sheridan road, then Michigan avenue, and then to the Hotel Sherman, where a banquet was held. Maj. Coste was prone to conversation, and Mrs. Hofstetter had the opportunity to talk with him in French. Lt. Bellonte was not inclined to talk much.

The flyers came down to the banquet about eight o'clock, the banquet breaking up about 10:15 o'clock.

The ladies, although they have had the privilege of knowing intimately the Old world, wish it distinctly understood that "We are Americans, and proud of it."

Army and Food
The expression "An army fights on its belly," or one very similar to it, "An army, like a serpent, goes on its belly," has been attributed to Frederick the Great. Another saying, attributed to the duke of Marlborough, is "No soldier can fight unless he is properly fed on beef and beer."

Added Fame to Old Device
The Lorraine cross was adopted as a shoulder-sleeve insignia of the Seventy-fourth division of the A. E. F. during the World war. The cross is described as the device which was originally the symbol of the triumph of the house of Anjou of France, through Charles the Bold, duke of Normandy, in the Fifteenth century.

**Give
YOUR
HEN'S
a chance
TO LAY**

To get more eggs the year 'round give your hens the benefit of these ideal Sanitary Steel Nests where the lice and mites won't pester them when they are laying.

There is nothing you can put in your poultry house that will give you as much genuine satisfaction as these self-cleaning lice and mite proof Steel Nests.

Nests are made of heavy galvanized sheet steel. Hang on the side wall of your poultry house. When you want to clean nests just swing them upward and outward and the old straw and litter slides out the back. Perches can be raised up closing the nest openings to prevent hens roosting in nests at night and keeps out broody hens.

These nests are made by Jamesway—the world's largest manufacturers of poultry equipment. Come to our store and see them. Also Jamesway Feeders, Waterers, Brooders, Heaters, etc.

A Belated Report

This belated report comes to us today of an informal picnic which was held in Kastening's Grove, September 7. The following were the hosts to the group: Mr. and Mrs. Walter Karstens, Mr. and Mrs. Gustave Hiedorn and Mr. and Mrs. Theodore Studdman. The guests were Mr. and Mrs. Albert Kehe, Mr. and Mrs. William Wilke, Mr. and Mrs. Arthur Wendheim and Mr. and Mrs. Fred Ninneman, with children the company number, 32. In the afternoon the men played ball and the women played buncos. The children amused themselves as children so well know how to do. At the close of the playing, the women took one side in the ball game, and the men the other. At the finish of the game Mrs. Charles Grandt, in her enthusiasm to win the game, hurrying to her base, fell and slid to the base an unpremeditated but artistic slide, which made the game score a tie and caused laughter and fun enough to stir up all the torpid livers in town. Their refreshments? My, my, did they fill a long felt want? Meals frequent, if not every hour. A picnic long to be remembered by all that happy company.

Mail by Tube

As early as 1890, pneumatic tubes were used in London to carry mail from the general post office to railway stations.

The Goodyear Heavy Duty

Cushion Tire With All-Weather Tread

The trucks that haul the heavy loads, that make short hauls at low speeds, that travel muddy treacherous roads or wet and icy streets, operate to great advantage on Goodyear Heavy Duty Cushion Tires.

This massive tire, with its big diamond shaped tread blocks, has tremendous tractive power, fitting it ideally to the needs of winter service, or for work in lumber camps, oil fields, gravel and sand pits, excavations, road building and general construction activities.

It is built more ruggedly than ever, to give the maximum of wearing strength and long, economical mileage. The tread is easily renewed for extra service.

This tire is specially designed for rear-wheel equipment of trucks employed in either medium duty or the heaviest duty known.

We Will be Glad to Call
See Us Before You Buy

Don't misinterpret the state law on solid tires—as only trucks used for the purpose of carrying seven passengers and more must be on Pneumatic Tires

NEW FOOTBALL LINE UP FOR ARLINGTON

Scrimmage with Dundee;
First Game with An-
tioch, Oct. 4th

Arlington's band of football candidates are still working hard every day in the attempt to get ready for the flag chase which begins Saturday, Oct. 4, with Antioch, on the local grounds. Prospects are much better than in recent years, but much work still remains to be done to shape the boys up for the hard schedule facing them. While no game has been scheduled as yet for this coming week-end, two Wednesday practices are in order, one this week and one next with Dundee. The chances are that Dundee will prove to be one of the strongest teams faced this year and the benefits derived from a hard workout against them will be great.

Fundamentals are still the main part of the workouts for the green Cardinal eleven, but every evening the boys are run through a snappy signal drill with a scrimmage to top off the evening. Last Friday two teams were lined up for the first real scrimmage of the season. At this time some line was got on the respective abilities of the twenty some odd boys taking part.

Some real shifts have been made in the team that have strengthened it immensely. Capt. Johnson is proving to be a real find at fullback and his leadership will go a long way toward turning out a successful eleven this season. Understudying him is Katerke, a husky Sophomore who is the first time. Hauff and Szasz are the most likely looking candidates for quarter. At halves are Kopplin, Stefanik, Soenksen, and Koelling. In this backfield Johnson and Kopplin are the only seniors giving promise of some good backs in years to come.

Four men so far seem to be of equal ability at end. Seidel, Wilke, Brodman and Hasz form what looks to be the best set of ends in years. Although light they have plenty of fight and will be hard to take out. Scolaro and Craft have been shifted to the tackle positions and with their weight should be real assets there. Froemling and Elliott are pushing them for their jobs. Moehling and Lemke, with Kranz and Klehm are the guard candidates. Long is back at center, understudied by Roland Meyer.

With this crew coaches Seales and Grose are confident of turning out a winner again for Arlington. A lightweight squad of 115 pounds and under is being worked out of the following: Gieseke, Greinke, Kellogg, John Long, Luettichwager, Art Meyer, Sicks, Steiger, Umpadel, Klehm, John and Frank Wagner. Games have been scheduled for them with boys from Bensenville and Warren, who are their own size. Since all but one or two of these are Frosh, some good material is in the making.

Football Schedules OF N. W. Conference

Herewith are presented the football schedules of the teams in the Northwest conference. Some of the schools have already begun their games with last week's setbacks and are getting the jump on their rivals by an early start. Antioch and Bensenville played the first conference game which wound up in a 0-0 tie last Saturday.

This week's games are featured by the Leyden at Bensenville set on Friday, and the Barrington-Warren game at Gurnee, Saturday. Libertyville is once again favored to win the championship due to their wealth of experienced material, with Leyden and Warren ranked a close second. The other schools, Antioch, Barrington, Bensenville and Arlington are rated about on a par with each other, chance to finish on top of the heap.

What a Woman

45 to 49

Should Weigh

Beware of Fat

As women grow older they are apt to take on weight — best to watch out and keep from growing fat — weigh yourself today and see if your weight and height compare with figures below — If so you are lucky — your figure is ideally perfect and you can feel happy. Ages 45 to 49

4 Ft. 11 In.	129 Pounds
5 Ft. 0 In.	131 "
5 Ft. 1 In.	133 "
5 Ft. 2 In.	136 "
5 Ft. 3 In.	139 "
5 Ft. 4 In.	142 "
5 Ft. 5 In.	146 "
5 Ft. 6 In.	151 "
5 Ft. 7 In.	155 "
5 Ft. 8 In.	159 "
5 Ft. 9 In.	163 "

Weights given include ordinary indoor clothing. If you are overweight cut out pies, pastries, cakes and candy for 4 weeks — then weigh yourself — go light on potatoes, rice, butter, cream and sugar — eat lean meat — chicken, fish, salads, green vegetables and fruit.

Take one half teaspoon of Kruschen Salts in a glass of hot water every morning before breakfast — This is the easy, safe and sensible way to take off fat — an 85 cent bottle of Kruschen Salts lasts 4 weeks — get it at Wendt's Drug Store, Arlington Heights, or any drug store in the world. You'll be gloriously alive — vigorous and vivacious in 4 weeks.

EX-CARDINAL COACH BEGINS AT DOWNERS GROVE

Ralph Cressey, ex-Arlington coach, and now instructor at Downers Grove, initiated his squad to night football last Friday when he led his charges against those at Wheaton high, the home of the famous "Galloping Ghost," Red Grange. Mr. Cressey is lightweight football coach at Downers Grove with some sixty boys under his supervision. In that league two separate and distinct squads are carried, one consisting of boys 135 pounds and under, and the others, the heavyweights. Almost equal importance is attached to these games and the little fellows play just as smart and heady a game as the larger boys.

Wheaton is one of the schools that have installed flood lights for night football and several thousand witnessed the games between those two old rival schools. Cressey's squad emerged the victor by the margin of a safety but were in scoring territory all the time and only a bitter stand by the Wheaton squad kept them from scoring on several occasions.

In the heavyweight game Wheaton pounded out a 19-7 win over Downers after a grueling struggle. Several of Mr. Cressey's old Arlington friends drove over to Wheaton to witness his debut in his new position.

With no World's series in Chicago to attract the sport fans, the Hawthorne Gold cup race will be the leading fall sport event exclusive of the big football games.

WHEELING

Daylight Saving ends Saturday evening, Sept. 27. Here's where you find that hour of sleep lost somewhere last spring.

Mrs. Anna Armbruster spent the week-end with the Ballings.

Mrs. Sarah Bellendorf, of Arlington Heights, spent last week visiting her brother-in-law, Mr. Hy. Tesch at Wheeling.

Mr. and Mrs. Otto Andersen were away on an auto trip into Canada last week. They report a pleasant trip, with the exception of the weather which was unseasonably cold even for Canada.

A group of little friends helped Ingrid Nielsen celebrate her birthday Sunday afternoon.

Fourteen members of the young people's club of the Presbyterian church enjoyed an outing and "weenie roast" in the Forest Preserve Wednesday evening.

The mothers and children, together with the teaching staff of Childerley, enjoyed a picnic in Deer Grove Saturday afternoon. The late summer season seems to offer more ideal weather conditions for out-door functions than the early or middle season. It is well to take advantage of the opportunities to enjoy the out-of-doors, for winter with its season of indoor activities will soon be here.

PRESBYTERIAN CHURCH

Worship, 10:45 a. m.
Church school, 9:30 o'clock a. m.
Sunday, Sept. 28, is Rally Day for the church school. A full attendance in all classes is hoped for. Visitors are always welcome. Evening services will be resumed beginning Sunday, Oct. 5. The evening service that day will be a special service of consecration of the home, the congregation and the leadership of the church school to the task of Christian education. A special meeting for the reception of new members into the Young People's club will be held Tuesday evening, Sept. 30, beginning at 7:30 o'clock.

Oct. 15 has been chosen by the

Ladies' Aid Society as the date for their annual bazaar. Detailed announcement will be made later.

The quarterly communion service will be held at the morning worship service, Sunday, Oct. 1.

Long Grove Cider Mill

Is now in operation every Saturday, from 7:00 A. M. till 8:30 P. M. Evenings by appointment.

Arlington Men Hold Big Golf Tourney

Last Saturday twenty-three mashie and niblick wielders from Arlington Heights held a more or less impromptu golf tournament at the Villa Olivia course at Elgin. After a week of vigorous arguing on the part of the married members of the group they secured permission from their better halves to try their luck at the Scotch pastime. So quite a throng assembled at the course causing the proprietors of the club to rub their palms in avaricious glee at the prospects of replenishing their coffers at the expense of this group from Arlington.

The tournament was run in handicap fashion, each of the contestants submitting his three best

scores of the season and his handicap being arranged thereby. There were some mild accusations at first on account of the sizeableness of some of these scores, but everyone was finally satisfied and the game was on.

Kurt Noack and E. B. Thornton proved the benefits of a large handicap by annexing for themselves the two main prizes of the day. A steel shafted spade mashie each rewarded their efforts. Prellberg and Stewart Alden received a gaudy pair of gold Sox each, while next in line for prizes were Shephard and Wiesse these two replenishing their supply of golf balls thereby.

On the other hand Wally Tesch, Brown, Puffer, Kaelisch, and others were lamenting the difficulty of attempting to win any prizes under stress of a too small handicap. So they accordingly resolved to make application into the Ananias club before the next meeting is held.

But in spite of it all a real enjoyable afternoon was had by everyone, and the knobs, slopes, and

truts of old Olivia were investigated as they had never been before. Such an array of slices, hooks, divots flying, and even rumors of the wielding of "hand mashies" could not keep their spirits dampened. Consequently another such afternoon is being planned for the near future provided the necessary marital permission is gained.

The scores, handicaps, etc., were as follows:

	G.	Hdcp	Net
Kurt Noack	102	29	73
E. B. Thornton	95	22	73

Fire Department Takes Part in Doing Honor to Deceased Comrade

A regular monthly meeting of the Arlington Heights Fire department was held Friday evening, Sept. 19.

Resolutions of regret were passed upon the death of Captain Wm. E. Heffernan.

Pall bearers were selected as follows: Chief, G. K. Volz, Assistant Chief, W. G. Meyer, Secretary, H. C. Bolte, Captain, Fred Lorenzen, Captain, Wm. Guenther, and Nozzleman, Frank Schulenberg.

All members of the Fire Department were honorary pall bearers: Ross Davis, Richard Jahn, Hy. H. Meyer, Art Dieball, Frank White, Max Lorenzen, Alex Lips, Ed. Greenberg, John Heffernan, Fred Tesch, L. Clark, Geo. Gaare, Elroy Winkelman, Ed. Guenther, Ed. Schulenberg, J. D. Flentie, Fred Lips, Oswald Meyer, Wm. Duenn, and Steve Bensie.

Before adjournment the secretary was instructed to draft a letter of condolence to be sent to the deceased's family.

Captain Heffernan was a charter member of the Arlington Heights Fire department, having joined it October 15, 1894. He always took an active part in the office he held selecting good men as fire fighters for our village.

Methodist Men's Club Plans Bigger Activities Ahead

The Methodist Men's Club, a social group, will hold its second meeting of the fall, Monday, Oct. 6, at 8 o'clock. This will be a business meeting.

The club aims to present not on-

ly high class entertainment at its meetings, but develop recreational groups within its membership, including groups in volley ball and golf. Golf was played Saturday afternoon at Villa Olivia. Messrs. Moodie, Puffer and Prellberg are the golf committee. Players are handicapped to start according to their average previous scores, so as to even up the contests.

A bowling team may be worked up.

Entertainments and speakers will be partly by the membership, partly from the outside. The program last year was remarkably rich, just from the membership. Dr. B. T. Best is chairman of this year's program committee, assisted by Mr. N. J. Puffer and Mr. Theodore Miltzer.

A male quartette or octette has been urged, and a start may be made to add zest to the meetings by means of music.

Arlington Heights Folks See Black Hawk Trail, Pine Forests

A jolly party from Arlington Heights took a drive Thursday last week, over the Black Hawk trail, along the Rock river between Rockford and Dixon, seeing splendid cliff and river scenery along the route, and taking a side trip, seven miles off the main route, to the White Pine state park, near Oregon.

In this state park is the southernmost natural white pine forest in this part of the middle west, the other trees being almost altogether walnut and hickory. The scenery is very beautiful; a feature of which is a high cliff of limestone marked by minerals in many colors, with a dark stream below.

Dixon was found in gala dress for the Dixon Centennial and Homecoming which took place Sunday to Wednesday this week; and in which the very most was made of the rich historical treasures of the town and region round about.

In the party were Mr. and Mrs. Harold Peter, Mrs. George Peter, Mr. and Mrs. Fred H. Lorenzen, Mrs. E. C. Smith, Mrs. R. Perrin, Mr. and Mrs. Julius Bruhnke and Mr. and Mrs. Gus Framberg, and their two children.

ELK GROVE

Mr. and Mrs. J. C. Meyer of Arlington Heights, Mrs. W. Lagerhausen of Des Plaines; Fred Engel and family of Palatine; Martin Engel and family of Schaumburg; Mr. and Mrs. John Busse of Bensenville, and A. G. Deeke and family of Elk Grove, took an auto trip to Farmington, Central Illinois, Sept. 12, to attend the Golden Wedding anniversary of Mr. and Mrs. Gustav Engel, Mrs. Deeke's folks, and all report a good time.

RURAL SCHOOLS

WILSON SCHOOL, DIST. 24
Louis Spasojevich

The pupils that were absent during the last three weeks were: Fred Worcester, Lillian Hasten, Richard Gieseke, Helen Guenther, Arthur Guenther.

We have elected officers for the Achievement club Friday, Sept. 12, 1930. The officers are:

President, Olga Skarlosz; vice president, Lorraine Worcester; secretary, Evelyn Worcester; treasurer, Helen Guenther; health committee, Elaine Sargent and Wilbert Gieseke; sign board committee, Alex Spasojevich and Arthur Guenther; editor, Louis Spasojevich; cheer leader, Evelyn Worcester.

We have decorated our room with paper chains, birds, lanterns and aeroplanes.

We have at present six first graders and seven new pupils.

We have a new game which we play on recess, we call it "Three Steps." Evelyn and Erna Kirchhoff, two of our pupils are moving to Elkhorn, Wisconsin. When they move two more pupils will move into Kirchhoff's place.

Kirchhoff's dog, Bozo, has five Spitz puppies.

Willard S. Smiley and Mildred Ringard are now going to Arlington Heights because they were out of the district.

Mr. Wilson's dog ate Gieseke's Guinea pigs.

ELK GROVE SCHOOL, DIST. 59

Our school opened with an enrollment of 42 pupils. Miss Jacobs has returned and is teaching the upper grades.

Miss Margaret Coan, from Chicago, has the primary grades. She has had special training for her work.

There are only two beginners, Elmer Wolter and Leroy Landmeier.

All the pupils have purchased the latest books. We expect to accomplish very much this year.

Our baseball team has been organized. Ray Pomplun, captain and Herbert Mollenkamp manager.

They played two games vs. Orchard Place. Anyone wishing to compete with them, notify Ray Pomplun, Bensenville. Last, but not least, the team beat Orchard Place, 32 to 7 and 60 to 23. They would like keener competition.

Wilma Wille spent last Tuesday evening with Miss Jacobs in Park Ridge.

Miss Nichols of Arlington Heights substituted for Miss Jacobs last Friday.

Don't wait

for winter to
show you the
folly of
buying on price

Unfortunately, the importance of investing in the best oilburner can't be demonstrated until winter comes. But you CAN give this decision the careful consideration it deserves . . . RIGHT NOW. Don't let clever "sales arguments" confuse you. Choose on the basis of FACTS alone.

Here are the FACTS about Silent Automatic. We leave the decision up to your sound judgment of real value.

First, Silent Automatic leads the world in the production of domestic oil burners.

Second, ANY "Silent" owner will say, "I'm satisfied. . . and MEAN it!"

Third, Silent Automatic is produced by experts who, for five years, have built oil burners and oil burners ONLY.

Fourth, "Silent" gives you the "Wiping WALL-FLAME", an exclusive feature. It provides the difference in all "round efficiency" that is so emphatically in favor of "Silent".

Fifth, "Silent" has completed and is occupying the world's largest factory devoted to the production of domestic oil burners . . . the "Silent" organization is PERMANENT.

Sixth, the satisfaction of every owner is doubly guaranteed by Silent Automatic's unequalled service facilities.

Quality is Always Worth a Fair Price

We'll be glad to have a "Silent" representative tell you what you have a right to expect from an oil burner . . . and what you actually get, in absolute measure, from a "Silent".

Only Silent Automatic Gives You the "Wiping WALL-FLAME"

Experience with your own furnace has taught you that to produce maximum heat the flame must constantly lick the entire wall of the fire-pot. This is exactly what is accomplished by Silent Automatic's "Wiping WALL-FLAME". No other oil burner has this slowly swirling flame—therefore, no other burner can equal Silent Automatic's efficient, dependable and economical performance. We will be glad to explain this in detail. It will give you a clearer understanding of what you have a right to expect from any oil burner . . . and what Silent Automatic actually gives you.

The learned understand the reason of art, the unlearned feel the pleasure.—Quintilian.

Who will Win The World Series?

The winner of the World Series will be the team that plays the most consistent baseball! That is inevitable, for even the "breaks" go to the team that is best prepared to take advantage of them.

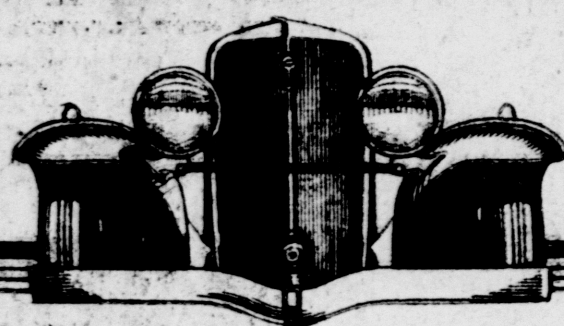

Same thing applies to the winning of financial success. The winner is practically always the person who SAVES most consistently.

Are you a CONSISTENT SAVER? If not, a Savings Account in this bank will help you to become one.

Wheeling State Bank

WHEELING, ILLINOIS

Phone 20

Announcing STUDEBAKER'S new Dictator Eight lower prices ...plus free wheeling

MOTORDOM'S biggest surprise in 1930 is Studebaker's introduction of Free Wheeling with positive gear control.

Today's biggest surprise is the unexpected application of Free Wheeling to the one Studebaker Eight that seemed too low-priced to command it.

Free Wheeling, with positive gear control... until now obtainable only in the President and Commander Eights... is today offered in a new Dictator Eight at a new low price!

Now, with greater power and exquisite new beauty, the Dictator Eight is more than ever first of all Eights at its price. And it tops the great records it has piled up for economy of operation with the super-economy of Free Wheeling.

Free Wheeling means the harnessing of momentum and the consequent saving of 12% to 20% in gas and oil consumption. Free Wheeling delivers five miles and charges for four... your engine has "worked" only 8,000 miles when it has travelled 10,000 miles. Chassis wear is reduced. Tire life is lengthened.

You can shift from high to second, back and forth, at 40-50 miles an hour and never touch the clutch. Yet, with Free Wheeling, under positive gear control, the braking power of your engine is always available—so surely and instantaneously that Public Safety Commissioners have pronounced it a distinct contribution to safety.

See this new Dictator Eight, shown today for the first time. Drive it. Experience the thrill of Free Wheeling! Studebaker considers this new Eight with Free Wheeling a crowning triumph of its 78 progressive years.

FARMOLOGY

EDITED BY O. G. BARRETT—COOK CO. FARM ADVISER
A. A. Nietfeldt, Pres. Wm. Rohlfing, Vice-Pres.
Alfred Busse, Secy-Treas.
Truck Gardening—Henry Homier, August Deeks
Gen. Farming—Julius F. Precht, Tom Welter, Jr.
Dairying—Fred W. Pfingsten, Henry Henke

New Farm Bureau members: H. Dykstra & Son, John Van Keppel, Jacob Van Milligan, of Bloom Twp., Thomas Clary & Son, Geo. Schultz of Bremen Twp.; Arthur W. Beagley, Henry Beckstein, Carl J. Bormet, Wm. H. Bormet of Orland Twp.; Veld Bros., Vander Giessen Bros., Van Borer Bros., Isaac Shilling, Cornelius Rietveld, Howard Pals & Sons, Gerrit H. Pals, Henry Meyer, John J. Logestel & Sons, A. Jacobs, Arnold Dalenberg, of Thornton Twp.; John Huber, Otto W. Mickel, and Otto Reusnow of Worth Twp.

Chas. Wille, Bremen township; Raymond Heine, Hanover township and Robert Allison of Wheeling township are also new Farm Bureau members.

It is better to mend one fault in yourself than a hundred in your neighbor.

A good memory is a fine thing, a good "forgetter" is equally important.

What a terrible thing it would be if we continued to carry thru life the detailed enthusiasm for all the things of interest and if

we continued to remember the magnification of the grief that we have to go thru. One of the finest things on earth is that we DO forget.

Not long ago we called on one of our Farm Bureau members and in a prominent place in his quarters we saw this sign "A winner never quits and a quitter never wins." If Michael down at the Glenwood Training School didn't teach that three hundred odd boys anything else than that, his assistance there would be justified; but we are not inferring that Michael is not teaching more.

Just a minute now. Hi Sickle says when you stop having problems you have stopped growing. Figure on that one a bit.

And we might add that when the time comes and your outlook on life is such that you approach those problems with the thought "it can't be done" you are getting old, that's all.

You know this last summer Uncle Sam with his high hat and long chin whiskers went out to get a few figures. We got a letter from him the other day and he wrote us something that may be you didn't know. For instance, did you know that a farm is considered a farm if it comprises more than three acres used for agricultural purposes?

Or any tract of land of less than three acres which produced \$250 during the preceding calendar year is called a farm. According to that definition, did you know that there were then 214,871 farms in the state of Illinois as of April 1, 1930? Or a decrease of practically five per cent in the last five years or a decrease of practically ten per cent in the last ten years. Did you know there was an average on April 1, 1930, of 2,106 farms per county? Did you know that McLean county with 4,062 farms was first in the number of farms per county in the state, with La Salle county second and four other ones having more farms than does Cook? Which means that Cook county has dropped to seventh place, with 3,352. The decrease in farms has been greater in the last five years than in any other five year period. Did you know that last Friday—there are more today—but last Friday there were 777 Farm Bureau members in Cook county? Did you know that there were approximately four times as many Farm Bureau members in Cook county now as there were four years ago, which is very good? But there is only about one out of four of the farm population of the county that is a member of the Farm Bureau, which is not so good.

In the last ten years there has been a percentage decrease in the number of farms in Cook county of 36.8%, which is the highest in the state, being practically four times the average of the state. The nearest approach to that is Lake County with 29% and DuPage with 26%. There are four counties in the state that increased the number of farms in the last four years, of which Pulaski led with 3.4% with Saline second with 3.3%.

The unforeseen again has happened! September ordinarily sees advancing feed prices. At the present time Bran and Cottonseed are probably the cheapest they have been for many years. Wholesale prices on Pure Bran this morning is \$21.25, on 43% Cottonseed the price is \$26.50. It is seen that to buy now one would have a nice saving when it comes to feeding the cows next winter. The difference between the present price and the price that you will pay next winter is pretty liable to represent the difference between a profit and a loss on the milk you make.

Now is the time to think about the mow of alfalfa that you are going to have a year from next winter or two years or five years. Almost no fields in the county will grow the best alfalfa without liming or without phosphate—both should be applied considerably in advance of the seeding.

Why do we say to cull your chickens, to feed a balanced ration, to join the Cow Testing association, to use rock phosphate, to test your soil, to apply lime where needed, to buy feed in advance and save money, to belong to your own insurance company, to deal with your own gasoline and oil supply company—well there is just one reason—it is because we are interested in you and we are interested in your income and your standard of living. We would like to see you make more money or save more money so you could have more homes equipped with electricity, more bathrooms and inside toilets, more luxuries to which you are entitled.

A recent law enacted requires that you must register before the coming election to make you eligible to vote. No matter how many times you have voted before, remember you must register. It has been said that the farmers are the governors of the political machine—it is your duty to vote at the oncoming election. Dates for registration are September 27 which is next Saturday and October 7, which is a week from next Tuesday. We ask you to REGISTER and VOTE.

Uncle Abe says that the effort to put up front keeps many folks in arrears.

This is CCFB now signing off. Please stand by until next Tuesday.

RUDOLPH PUZINOSKI

Saturday, Sept. 27, commencing at 12:30 o'clock daylight saving time, Rudolph Puzinoski will sell at public auction on the Martin Place, on Deerfield Road and Ridge Road, at Blotchet, 2 1/2 mi. east of Deerfield, 1 mi. west of Highland Park, the following property:

THE Cook County Herald ANNOUNCES

100% INSURANCE PROTECTION

Most newspaper policies pay only for travel or traffic accidents and provide no protection for injuries sustained in other ways

Through special arrangement with the Columbus Mutual Life Insurance Company of Columbus, Ohio, the Cook County Herald offers its readers

A COMPLETE COVERAGE ACCIDENT INSURANCE POLICY

which pays for loss of life, limbs, limb, sight, or time caused

BY ANY ACCIDENT!

Study These Generous Accident Payments!

The most complete coverage accident protection offered by any newspaper to residents of Cook County.

Synopsis of Coverage

1. Traveling and Traffic Accidents:

Loss of life, limbs, or eyesight: \$10,000.00 to \$500.00.

Loss of time: \$10.00 per week not exceeding 15 weeks.

2. Accidents Caused by Fire, Lightning, Cyclone or Tornado:

Loss of life, limbs or eyesight: \$1,000.

Loss of time: \$10.00 per week not exceeding 15 weeks.

3. Accidents caused by Building Collapse, Passenger Elevators or by the Wrecking of Horse-Drawn Vehicles:

Loss of life, limbs, or eyesight: \$1,000.

Loss of time: \$10.00 per week not exceeding 15 weeks.

4. Pedestrian Accidents:

Loss of life, limbs, or eyesight: \$500.00.

Loss of time: see below.

Any Accident not Otherwise Covered by the Policy:

If the insured meets with ANY accident which is not covered in the policy by a week indemnity, he will receive a payment for the fracture of ANY bone in the body, regardless of the length of disability.

For instance: fracture of shoulder, skull, spine, pelvis, caused by ANY accident: \$150.00. Fracture of jaw, thigh, arm, leg, \$50.00, etc. All bones covered.

Note: This policy covers ALL classes of employees, including policemen, firemen, railroad employees, farmers, bankers, etc., and pays indemnity whether they are injured at home, at play, at work, or while traveling.

NO RED TAPE

NO PHYSICAL EXAMINATION

AGE LIMIT 15 to 70

All residents of Cook County are now given the opportunity to secure a "complete coverage" accident policy and a twelve months subscription to the Herald for the small sum of \$3.75 per year!

This opportunity is given to all present subscribers, whose account is paid to date, as well as to new readers.

Do not confuse this insurance offer with the ordinary newspaper "travel-type" policy.

The new Herald policy covers accidents that happen at Home, at Work, and at Play, as well as Travel and Traffic Accidents. A policy for All Accidents, for All Classes of Employees.
